

Villa La Massa
FIRENZE • CANDELI

Part of the Leading Hotels of the World, Villa La Massa is the exquisite jewel of the Villa d'Este Group. The 16th Century estate sits on the banks of the Arno River, on 22 acres full of lemon trees and olive groves that surround the property. With its three ochre and pink colored villas and their 37 rooms and suites, each superbly furnished in the traditional Florentine style, Villa La Massa is the perfect place to rest after a long day of touring in Florence, linked by the hotel's private shuttle which runs daily to and from Ponte Vecchio.

Landscapes mold around the river with an abundance of olive groves, vineyards, and cypress trees as far as the eye can see. The environment invites you to slow down and relax. The gourmet restaurant "il Verrocchio" offers traditional Tuscan cuisine with over 400 labels of wine. Its terrace overlooks the Arno River, providing a unique setting for romantic dinners. For those looking for a full day of relaxing, the new Arno Spa is a warm and informal welcome in an original Tuscan atmosphere that combines heritage with luxurious comfort.

Inspired by the Tuscan fragrant flowers and aromatic herbs of our gardens, the "Officina Profumo Farmaceutica di Santa Maria Novella" cosmetic line is available at the SPA of Villa La Massa. A heated outdoor swimming pool and jogging trails are available on property, while tennis and golf courses nearby.
