## Suites

The rooms and suites are designed for maximum space and comfort, with open flow underpinned by the simple elegance of contemporary lines, bold proportions and luxurious natural textures. The cool touch of Thassos marble finds its counterpoint in the tactile warmth of wooded detail strikingly deployed in the design of the open wardrobe and incorporated with the marble of the bedside tables and the desk.

Step into the contemporary elegance of an open flow **Sea Breeze** room leading onto a private balcony with views of the sea and the surrounding hillsides. Sophistication and comfort are invested in every detail. A Flos designer fitting hangs over the desk like a floating moon, and striking custom lights glow at the bedsides. Coming from the vibrant atmosphere of the outdoors, it is an oasis of quiet intimacy and luxury.

The contemporary open flow of **True Blue** opens out onto a private balcony or terrace with endless views of the Aegean. The True blue rooms are available in 3 different constellations, all of which enjoy full sea views: a balcony or terrace with coffee table and two chairs, a terrace with private Jacuzzi and loungers, a terrace with private pool and loungers.

The spacious elegance of the contemporary open flow **White Bliss** room expands onto a private balcony or terrace with views of the Aegean. Luxury and comfort are invested in every detail. Coming from the vibrant atmosphere of the outdoors, it is an oasis of quiet intimacy and indulgence.

**Thalassa Suite** is a luxurious expanse flowing from the contemporary elegance of a spacious room onto a private terrace that commands sweeping views of the Aegean. The bathroom experience is pure indulgence, a deep bath, rain shower and amply stocked with luxury cosmetics. The Thalassa suites are available in four different types.

**Passion Suite with Private Jacuzzi** suite was conceived by the Ambassador for honeymooners or hopeless romantics wishing to unwind in leisure and create treasured memories in a unique setting. Featuring an open-plan living room with natural stone walls, a bathroom with shower and lounge area, it leads onto a scenic terrace with Jacuzzi and soft upholstered loungers from which to enjoy the vast expanse of the Aegean Sea at all times of day.

## Dining

**Efisia** is the restaurant is sheltered from the evening breeze in an alcove of rough-hewn stone. As one of the top tables on the island, Efisia offers a gourmet menu in the Relais & Châteaux tradition, pairing a culinary experience with luxurious atmosphere. Both A-la-carte and a menu dégustation are served between 8pm-11:30pm, complemented by a discerning selection of wines.

**Latitudes** floods with morning light and overlooks the sea, making it the perfect place to start to your day. The lavish spread laid out by the chef includes cooked-to-order eggs and a champagne American breakfast buffet, with freshly baked breads, buttery croissants and cereals, pressed juices, fruit, nuts, charcuterie and salmon. This is complemented by traditional buffet of local delicacies such as stuffed vine leaves (“dolmades”), Greek yoghurt with island honey, fresh tomatoes and olives as well as the more indulgent halva, kataifi and baklava.

**Stay the Pool Deck** has a magnificent timber deck surrounding the pool that is a world unto itself. There’s nothing more relaxing than a day spent adrift in reverie or reading on our broad daybeds, cared for by our attentive crew bringing fresh towels, irresistible, complimentary iced smoothies and anything that might catch your fancy from the bar’s menu.

**George’s Bar** is an ideal meeting spot and a perfect vantage point to watch the day’s rhythms unfold. The barman is an old hand at preparing your poison of choice, and you can rely on him to provide the perfect accompanying snacks. Light lunches are served in the bar lounge or at your shaded lounge overlooking the ocean.

## Spa & Wellness

Awaiting your discovery, the Thalasso Spa is an oasis of relaxation and rejuvenation for body and soul. The term pays homage to the Greek word “thalassa” for sea, the life force that covers most of the earth’s surface and whose unique curative uses in thermal baths were praised as far back as Greek antiquity by the great physician Hippocrates.

The facilities are complemented by a steam room, sauna, and a range of treatments offered in a single or double therapy rooms. Select an experience in pure indulgence from a menu of spa classics, or a combination personalized to your needs by their masseurs and beauticians.
