

Just revealed to the public, the Harcourt Suite sits on the top floor of one of the most prestigious locations in Paris, on the Champs-Élysées at the **Hôtel Barrière Le Fouquet's Paris**. Designed by Jacques Garcia, this stunning **2,200 sq. ft. suite** combines the elegance of a Parisian penthouse with the prestige of the famous Studio Harcourt, known worldwide for its black and white portraits of celebrities such as Audrey Hepburn, Clark Gable and Keanu Reeves.

With its sloping ceilings, the charming bedroom invites you to wake up right next to the Arc de Triomphe and includes a spacious white marble bathroom, walk-in dressing room and private gym. The connecting Junior Suite offers a total capacity of 4 guests within this outstanding Suite. The suite also features magnificent living rooms typical of Haussmannian design with oak parquet flooring, marble fireplaces and original bull's-eye windows. It boasts a large lounge, a dining room, an office and a spacious 290 sq. ft. terrace overlooking the serene inner courtyard.

HIGHLIGHTS OF THE HARCOURT SUITE:

- ◆ Two bedrooms (320 sq.ft.) with views over the Arc de Triomphe and Champs-Élysées
- ◆ Two full bathrooms and one half bath dedicated to guests. Full bathrooms have tubs and separate shower-steam rooms, and double vanity
