Having undergone a complete revamp over the last few months, the superb restaurant, which is located at the most breathtaking vantage point in the city, on the 122<sup>nd</sup> floor of the Burj Khalifa, returns to impress Dubai's discerning food connoisseurs. Boasting a stunning restaurant, along with a relaxed lounge and bar area, At.mosphere is once again the most desirable destination in the city.

Renewed, fresh, and bolder than ever, the majesty begins from the second you step out of the fastest elevator in the world and are greeted by the most breathtaking views of the glittering Dubai skyline and the crystal-clear Arabian Gulf. The journey of wonder continues as you are served up an unbeatable array of the most delicious worldly cuisine, specially curated by At.mosphere's team of talented food artists. **Mark Kirby, Head of Emaar Hospitality** says, *"The reopening of At.mosphere is a momentous occasion for us all. Our aim was to redesign the concept to create something truly fascinating and we believe we have achieved this and more. The elegant interiors, unbeatable views, and cuisine all combine to create a remarkable venue, worthy of its prime location in the iconic Burj Khalifa. We look forward to welcoming guests back to experience the new and improved At.mosphere and partake in an elevated level of fine dining brilliance like nowhere else in the city."*

Situated in the most unique location, the sophistication of the modern French inspired cuisine being served in the restaurant is elegantly reflected in the opulent, yet comfortable surroundings inspired by the glamorous art deco period entwined with the colourful flora of a European garden. The dramatic, sweeping staircase that leads to the venue sets the scene perfectly for the culinary delights that await, and a kaleidoscope of unexpected

elements adds to the supreme character of the venue. Refined, decadent and playful, At.mosphere Restaurant and Lounge is the pre-eminent dining destination for the world.

Refined luxury can be seen in every delicate detail and sleek, timeless elegance can be found around every corner. The stunning mirrors and marble enchant diners upon arrival and the mirrored trellis, mosaic flooring, bookshelves containing antique books, and intricate fabric walls add to the grandeur on show. Handcrafted statues, sculptures, and ornaments made with decadent materials fill the space. With the considered lighting design ensuring a glamorous atmosphere from dawn to dusk, magic fills the venue no matter the time of day.

Adorned in burgundy and midnight blue, the restaurant and lounge is the place to be for guests seeking a formal dining ambience. The sleek wood finishes complement the top-quality products available on a menu that constantly changes to reflect the season, ensuring guests are always served up the freshest produce on every visit. Sophisticated elegance can be found everywhere from the aged brass trim, the leather bar front panels, to the luxurious velvet finishes.

Catering to a more casual clientele, the lounge serves up international infused cuisine in a cosy, relaxed, and trendy atmosphere. The perfect spot to indulge in tasty bites and small portion meals, diners can enjoy the unique flavours of the extensive à la carte and sharing menus in an overwhelmingly welcoming ambience. Sense the anticipation as the many nooks and niches create cosy points of atmosphere throughout the bar.

The food on offer perfectly matches the sensational venue and guests can look forward to indulging in delightful bites that will take them through a full sensory experience. Serving breakfast, lunch, and dinner in the restaurant, and breakfast, high tea, and dinner in the lounge, epicures can expect to sample the likes of Foie Gras, Billionaire Sliders, Braised Wild Mushroom, Oysters on Ice, Wagyu 9+ Tomahawk, Blue Lobster, and much more.
