A NEW DESTINATION IN THE MED - OPENING SPRING 2024

THE FEELING OF DEOS

Deos is named after the ancient Greek word for awe, inspired by the beauty of its surroundings. Poised high on the hillside above Mykonos town, its panoramic views to the horizon exude a sense of escape, all while being within walking distance of the vibrant charms of Chora. Sunsets and starry nights on the deck are without equal. The immersion in nature is enhanced by the energies of water, natural stone and indigenous landscaping which are harmonised by a contemporary Cycladic architecture. Connecting inner and outer spaces in every sense of the term, Deos invites guests to transformative experience, curated with a passion for mindful hospitality and all that is authentic about Mykonos.

A COMPLETE ESCAPE FROM ROUTINE

Luxury is in the detail. Owing to the custom fittings, natural textures and artisanal touches balanced with a sensitive architecture, Deos exudes minimalism and warmth. The interiors, bathrooms and landscaped, fully-furnished private terraces and balconies complete the signature Deos experience of superb sea views and a seamless connection to nature.

CELEBRATING A SENSE OF PLACE

Deos reaches back to its roots with a contemporary take on traditional Greek cuisine, homegrown ingredients and seasonal produce, all in the famous epicurean spirit of the Myconian Collection.

**EPICO RESTAURANT**

Sumptuous breakfasts, light lunches and dinner are enjoyed at the elegant restaurant with seating that extends onto the scenic deck. In this superb setting, either indoors or al fresco under the stars, fine dining is a memorable experience that touches all the senses with an irresistible fusion of traditional flavours and culinary Zeitgeist. After years in a Relais & Chateaux kitchen, our executive chef is happiest when expressing his farm-to-fork philosophy in the seasonal specials of a menu-du-jour, or at the chef's table, hosted weekly with an 8-course degustation.

**EPICO BAR**

Serving light lunches and drinks poolside throughout the relaxed rhythms of the day, the Epico bar transforms into one of the island's most atmospheric night spots at sunset. The conviviality around low seating, great music and a distilled menu of fine cocktails conjure memories of the quintessential casual glamour of the 1960s and 70's. And of course the views are nothing short of epic, looking out over the moon glade on the Aegean directly above the glimmering profile of Mykonos town.

A HOLISTIC APPROACH

Deos balances inner and outer worlds throughout its spaces, sustainable practices, and its immersive wellness experience.

SANA SPA

The spacious spa invites guests to enjoy the sauna, steam bath, a large marble pool, and a sensational relaxation area bathed in gentle sunlight filtered by lush vegetation. Treatments by experienced therapists are supported by leading international skincare lines and complemented by infusions and essential oils customised for Deos from locally harvested botanicals.

YOGA

Yoga for all levels is offered by our instructors, either as a group or individual practice. Customised highlights include full-moon yoga and meditation, or a sunset practice on the secluded beaches of Rhenia and Delos, accessed by private boat.

FITNESS

The Deos gym is a dynamic space with high ceilings and natural air flow, equipped with the latest training and exercise systems, a great sound system and flat-screen TVs.

THE PERFECT HAVEN

180 degree views from the pool deck transport guests into the deepest state of relaxation, spending slow time reading, indulging in an afternoon siesta, or soaking up the unique energy of the elements.
