[Recreational Activities](#)

An aerial photograph of a tropical beach. The water is a vibrant turquoise color, transitioning to a deeper blue as it meets the dark, dense forest that surrounds the coastline. A sandy beach curves along the right side of the frame, where several small, thatched-roof buildings and several beach umbrellas are visible. The overall scene is lush and serene, capturing a hidden tropical paradise.

[Sustainability Document](#)

SUSTAINABILITY CANOUAN

The island has developed several initiatives like a Circularity Lab which embodies the infinite possibilities that arise while looking at each discarded item as an opportunity, creating a circular economy in which there is no longer waste, but value instead. By shifting from a linear to a circular approach to consumption, the focus shifts from extraction to regeneration. The Circularity Lab is a holistic approach towards development, that integrates the local community and the natural ecosystem to build lasting partnerships towards a better future.
